Forgotten Books. Paperback. Condition: New. This item is printed on demand. 46 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Excerpt from Objections to the Government Scheme for the Present Subjection and Future Management of the University of Oxford Since these pages went to the press, I have been informed on good authority that the confidential draft of the Bill was sent to the Vice-Chancellor, as a distinguished individual, and that those who had the draft were authorised to shew it to any persons whose criticism they might think useful, but not to any one officially. If I had known and duly weighed this, I should not have written the reflections that are printed in pp. 5 and 34, and I regret that I should have done so; but I still think that the manner of communicating the Bill was discourteous towards the Hebdomadal Board. Nor can I see any reason whatever why, even after the discussion upon essential points was closed, they should not have had the same opportunity of offering suggestions on details, which was given to individual members of the University, and to them only as such.
