

Alice in Winterland (Paperback)

By Julie Egdell

Smokestack Books, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Growing up, Julie Egdell never knew how much she had in common with Lewis Carroll s Alice. But when she went to work in St Petersburg she discovered that she was the spitting image of the Russian version of Alice - the dark-haired Alisa of Soviet illustrated children s stories, sarcastic, cruel and very Russian. A new city, a new language and a new identity. What could possibly go wrong? Here are poems of a strange and subversive wonderland, of a worm who thinks he is a caterpillar and the Baba Yaga who became a witch. It s a collection about life in post-Soviet Russia; mad hatters, tears, exile, longing, and falling down a cultural and linguistic rabbit hole.
