Brand New Book ***** Print on Demand *****.Excerpt from Annual Reprint of the Reports of the Council on Pharmacy and Chemistry of the American Medical Association: For 1914, With the Comments That Have Appeared in the Journal The reports of the Council on Pharmacy and Chemistry of the American Medical Association have appeared from time to time in The Journal. The more strictly scientific parts of the reports, however, both from lack of space and because of their technical nature, have been abstracted or entirely omitted from the reports thus published. Believing that these scientific investigations should be available to scientists in general, especially to chemists, pharmacologists and others interested in medicine, the Council has authorized the preparation of this volume, containing the complete reports of the Council adopted prior to Jan. 1, 1914, as well as the comments which have appeared at the time of publication. In previous years by far the greater portion of the Councils investigations have not been published for two reasons. First, it was thought that many of the products found ineligible did not justify reports because they were...
