Random House Books for Young Readers, 2017. Paperback. Condition: New. Language: English . Brand New Book. Learn about opposites with Thomas Friends! Thomas the Tank Engine and his friends Percy, James, Cranky the Crane, Harold the Helicopter, Edward, Gordon, and many others help train-loving boys and girls ages 3 to 6 learn all about opposites in this paperback storybook with stickers! In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history. Thomas Friends now make up a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship, have delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come.
