

## Estrogens and Antiestrogens II

By Oettel, Michael / Schillinger, Ekkehard

Condition: New. Publisher/Verlag: Springer, Berlin | Pharmacology and Clinical Application of Estrogens and Antiestrogen | For many years, Springer has been publishing an impressive series of textbooks of pharmacology which have set standards in medical science. Surprisingly, an extensive overview of the current state of the art in research on estrogens and anti estrogens was still lacking. The present two volumes on estrogens and anti estrogens provide a comprehensive review of a field of research in which remarkable progress has been made over the past few years. New insights into the mechanisms of steroid hormone action resulted in a tremendous number of pUblications from which new principles of preventive and therapeutic appli cations of estrogens and anti estrogens emerged. Although various electronic data bases provide easy access to this copious information, there was a clear necessity for a monograph-style textbook which assesses and summarizes current knowledge in this rapidly expanding field of research. It should be noted, however, that, due to this dynamic development, it is barely possible to comprehensively update every aspect of basic and clinical knowledge on estro gens and antiestrogens. Thus, the intention of the editors was to provide the reader with an overview of the "classic"...
