Dover Publications Inc., United States, 2016. Paperback. Condition: New. First Edition, First ed.. Language: English . Brand New Book. Derived from the Greek for word of praise, the eulogy is a longstanding tradition of recognition and remembrance. The speeches and essays gathered in this collection offer thought-provoking commemorations of the lives and deeds of politicians, authors, poets, and other influential individuals. Starting with Pericles Funeral Oration, a classic example of the rite, these writings turn their focus to historical figures of the past two centuries, from America s Founding Fathers to Nelson Mandela. Nineteenth-century selections include the stirring address read at Beethoven s funeral; a reminiscence of Charlotte Bronte by her great literary hero, William Thackeray; recollections of Henry David Thoreau by Ralph Waldo Emerson; and eulogies for Abraham Lincoln, Walt Whitman, and Voltaire, on the one-hundredth anniversary of his death. Among the latter-day tributes are salutes to Albert Einstein, T. S. Eliot, and Martin Luther King Jr., as well as President Ronald Reagan s farewell to the Challenger astronauts, Stephen Spender s paeon to W. H. Auden, Bob Costas s eulogy for Mickey Mantle, and many other moving words of praise for men and women whose achievements serve as an ongoing source of inspiration.
