

The Irish Problem, Stated and Defined with a Simple and Equitable Solution (Classic Reprint) (Hardback)

By Edward Harper Wade

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Irish Problem, Stated and Defined With a Simple and Equitable Solution Ireland, either as invaders or immi grants. The Spanish connection and intercourse have left enduring traces in the West. On the East coast the Dane has made his mark. Within the Ancient Pale, which included Dublin, and in parts of Tipperary, all racial results of English settlement have not been lost. In Ulster, especially in the North Eastern counties, it is svid ent Where the ancestors of the people came from, and these are only some of the more recent ex amples out of many that might be cited. The names Fitzpatrick, Fitz gerald and De La Poer tell their own tale of Norman French ih vasion from England. In more remote times tradition and ancient records speak of many races that at various periods settled on, the coast and spread into the interior, replacing the earlier occupants, or becoming amalgamated with them. But whether Ireland is a Nation or not, it certainly is a country, and though its inhabitants are of various or mixed descent, they are assuredly...
