## MYTHS AND TALES FROM THE WHITE MOUNTAIN APACHE: ANTHROPOLOGICAL PAPERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. These myths and tales are the free translations of texts recorded in the dialect of the White Mountain Apache. The texts themselves with word for word translations follow as Part IV of the volume. They were recorded, with one exception, during the winter of 1910 as a part of the studies made in the Southwest under the yearly grant of Mr. Archer M. Huntington. The creation myth, secured from Noze, differs in important incidents from the versions given above from the San Carlos as well as from versions secured from other White Mountain Apache. It should not be assumed that these differences are tribal, it is more probable that they are individual, since forms from the San Carlos and Navajo are closely similar to each other. The greater number of the remaining narratives were secured from the father of Frank Crockett, the interpreter employed. Several of these are ceremonial and religious in their character and probably would not have been given except for the son's influence. Two of these were later secured from San Carlos informants in more extended form but highly corroborative in their general agreement. The main purpose in recording these narratives was to secure sufficient and varied connected texts in the dialect of the White Mountain Apache. As a collection of mythology and folklore it is probably far from complete. It is assumed, however, to be fairly representative. Pliny Earle Goddard. January, 1919.
