True Stories From Police Files: What Really Happened To Them? Claim Your FREE Books Each Week With This Book! How far would you go to find a missing loved one? Would you send out flyers, appear on TV shows, or ask some of your connections to assist you? Let's change the question: what would you want your loved ones to do in case it was you who went missing? Would you want to spare them the trouble, ask them to let it go? Or would you encourage them to fight and find you at all costs? In this book we'll tackle 7 cases - each, different in nature and response, but all ending in one direction: the missing person could not be found. We have the toddler who was abducted in his room, which, was devoid of fingerprints except for the baby. How that became possible especially since other people touched many things in the room, the police still don't know. We also have a teenager who went missing in her own apartment after hanging out with two friends. A lyricist who seemed to have orchestrated the perfect escape, a Polaroid featuring a tied up woman and boy, a young mother, a graduate hiker, and a 14 year old who could have died at the hands of her own adoptive parents.
