

First on the Moon (Paperback)

By Jeff Sutton

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The four men had been scrutinized, watched, investigated, and intensively trained for more than a year. They were the best men to be found for that first, all-important flight to the Moon-the pioneer manned rocket that would give either the East or the West control over the Earth. Yet when the race started, Adam Crag found that he had a saboteur among his crew . a traitor! Such a man could give the Reds possession of Luna, and thereby dominate the world it circled. Any one of the other three could be the hidden enemy, and if he didn t discover the agent soon-even while they were roaring on rocket jets through outer space-then Adam Crag, his expedition, and his country would be destroyed! The life or death race to the moon between the usa and the ussr. From the Golden Age of pulp Science Fiction comes a Cold War thriller set far above the Earth as the race to the Moon becomes a far more dangerous race - an arms race and the prize is control of the world....
