## Handbook of Compressed Gases (Paperback)

By Compressed Gas Association

Springer-Verlag New York Inc., United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the field of compressed gases and related equipment, there is an expanding core of essential knowledge that people handling and using these materials should be familiar with or should know where to find. The focus of this book concerns the properties and the accepted means of transportation, storage, and handling of compressed gases. This handbook is simultaneously intended as an overview of the subject and a source of supplementary information. It is also intended to serve as a guide to pertinent federal regulatory requirements and published standards of the Compressed Gas Association and other standards-developing organizations. The Association advises readers that the CGA technical publications remain the official statement of policy on a particular matter. Reference is made throughout this text to the numerous technical publications published by the Compressed Gas Association. Some of these publications have been incorporated by reference into federal, state, provincial, and local regulations. Since the CGA publications are reviewed on a periodic basis, whenever the text of this handbook conflicts with corresponding information in the CGA technical pamphlets, the most recently printed material shall take precedence. Softcover reprint of the original 4th ed....
