Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Strange Incidents in Mexico, Hawaii, and the United States* Since my earliest recollections of youthful days on the Brazos River in Washington County, Texas, there has never been a year during which I did not incur some accident which I cannot forget. My venturesome disposition led me frequently into grief. Many times I have been seriously injured by runaway horses, maddened cattle and vicious dogs. I have almost constantly carried some part of my anatomy in a sling, or under bandages or splints of some kind. Three times I have been rendered unconscious by accidents. Before I had reached the age of 21 I had been twice stabbed and three times shot accidentally, and at this writing I am on crutches, the result of an automobile accident. I have had a broken arm, a fractured cheek, a dislocated wrist, a sprained ankle and a broken heart, from the latter of which I have never recovered.
