lulu.com. Paperback. Condition: New. 232 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. This book, Profitable Poultry Production, is written to present the case fairly and squarely so the farmer may see the advantages that poultry offers as a means of making money. The book lays special emphasis upon all the important practices and new wrinkles that have been found profitable by professional breeders and poultry-men. It shows how these can be easily applied by any one and what may be expected in the way of results. From cover to cover it is intended as an encouragement and a stimulus to everyone interested in poultry. Not only does it indicate which are the lines likely to be most profitable, but it points out those branches of the business not likely to be remunerative, except under special conditions. With the conviction, therefore, that application of the principles herein laid down will make farm poultry production far more profitable than it at present is, the author commends these pages to the thinking farmers, farmers wives and farmers children. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
