Fifteen months ago, an accident left Teresa March scarred and completely blind. Having chosen David after a lively Siege to win her love, Teresa was stunned by his admission, and subsequent desertion, on Christmas Eve. Bastian Declan, David s business partner and Teresa s childhood friend, has loved Teresa for years. He wastes no time seizing this new opportunity to finally win her heart. While David is stuck in Boston hoping to resolve the conflict and restore his relationship with Teresa, PreClan s top-secret surveillance system is at a critical stage. Tension is high, and the house is full of very capable guards, after another foiled attempt to steal the technology. Understandably excited by all the activity, will his vigilance and unique bond with Teresa be enough to keep her safe? BLIND RAGE picks up where BLIND FAITH (book three) left off. While Bastian patiently shows Teresa he can be the partner she needs, they both want closure regarding her relationship with David. Will Teresa choose to forgive David, or will she open herself up to the possibility of a more tumultuous love? WELCOME TO TEAM RED! This version of the series is...
