

739 Paint Questions Answered: A Reference Encyclopedia Answering Knotty Problems That Confront the Painter, Decorator, and Paint Manufacturer in Their Everyday Work, with Complete Topical Index (Paperback)

By The Painters Magazine

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Preface. For several years past, one of the most valuable features of The Painters Magazine has been its department of Questions Answered, to which its subscribers have been invited and encouraged to send the various knotty problems and difficulties that they have met with in their daily business. No effort nor expense has been spared to answer every question submitted, and to supply the subscribers with thoroughly up-to-date and practical information based on present day American usage. The fact that questions have been received from every part of the United States and Canada, as well as from many other parts of the globe where the English language is spoken, shows how fully this feature of The Painters Magazine has been appreciated. We have long believed that these practical answers to actual questions on almost every paint topic would become still more valuable to the progressive craftsmen if they were gathered together in such form that they might be always at hand, ready for reference; and the present volume, in which 739 of them are gathered together, is the...
