

## Concise Illustrated Dictionary of Biocontrol Terms (Paperback)

By Vladimir V. Gouli, Svetlana Y. Gouli, Jose A. P. Marcelino

Elsevier Science Publishing Co Inc, United States, 2015. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. The Concise Illustrated Dictionary of Biocontrol Terms includes basic terminology related to the biological control of pests, together with state-of-the-art scientific and practical terms, for expedient comprehension and analysis of present, forecasted or in situ pest management problems. In addition, it also provides the names of the most common pesticides and predators commercially available in different continents (Americas, Europe, Asia, Australia, Africa), as well as target pests and diseases of these agents, making it a tangible tool for prompt management actions. The dictionary is copiously illustrated with original pictures clarifying the most commonly used terms and the identity of organisms in biocontrol technology, with content that is both scientifically rigorous and clear. The biological control of pests using living organisms, or products from their activities, is an independent branch of science based on multiple disciplines including general biology, zoology, entomology, phytopathology, microbiology and others. As a result, the field of biological control has its own specific terminology that needs to be understood and applied correctly across this variety of disciplines, including among those approaching the field from a different area of...
