FULL ASSAULT MODE (PAPERBACK)

St Martin s Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. When SEAL Team Six killed Osama bin Laden, they pulled a treasure trove of intelligence on planned attacks on U.S. soil. Ayman al-Zawahiri, al Qaeda s new leader, is activating his most trusted (and deadliest) terrorists to carry out his newest plot: to detonate a bomb inside one of the sixty-four commercial nuclear power plants in the U.S. in an attack ten times worse than 9/11, causing radiological fallout that would kill hundreds of thousands of innocent Americans. The President wants answers quickly, and after Kolt Raynor saved his life a few months earlier, he knows Delta Force is fully capable. But Kolt is on the verge of getting forced out of JSOC for disobeying orders in Pakistan-and when he s offered a slot in Tungsten, an ultra-secret deep-cover organization, he jumps at the chance. Now his task is to infiltrate al Qaeda and prevent this deep-cover terror cell from making their plot a reality before it s too late.
