

Evaluation of Human Work (4th Revised edition)

By Sarah Sharples, John R. Wilson

Taylor & Francis Inc. Mixed media product. Book Condition: new. BRAND NEW, Evaluation of Human Work (4th Revised edition), Sarah Sharples, John R. Wilson, Written by experts with real-world experience in applying ergonomics methodology in a range of contexts, Evaluation of Human Work, Fourth Edition explores ergonomics and human factors from a "doing it" perspective. More than a cookbook of ergonomics methods, the book encourages students to think about which methods they should apply, when, and why. Now in its fourth edition, the editors have again brought together a team of world-renowned experts and created a forum for them to discuss and debate their most valued approaches. See What's New in the Fourth Edition: * Significant change of authorship and content in each chapter * Five new chapters covering inclusive design, situation awareness, neuroergonomics, ergonomics and quality, and standards in ergonomics design and evaluation * Discussion of the idea of reflective practice and Ergonomics/Human Factors * Examination of the systems perspective now prevalent in the field * Coverage of new tools and the relationship between these physiologically measured parameters and theoretical concepts such as workload, fatigue, stress, or effort In addition to being a foundational text, the book is an...
