

Buffalo National River West: Trails Illustrated National Parks

By National Geographic Maps

National Geographic Maps, United States, 2012. Sheet map, folded. Book Condition: New. 229 x 104 mm. Language: English . Brand New Book. Waterproof Tear-Resistant Topographic Map The first National River to be designated in the United States, the Buffalo River flows 153 miles through the tranquil forests and dramatic sandstone and limestone bluffs of the Ozarks. National Geographic s Trails Illustrated map of Buffalo National River West combines unmatched detail with helpful information to offer an invaluable tool for making the most of your visit to one of the few remaining undammed rivers in the lower 48 states. Created in partnership with local land management agencies, this expertly researched map includes sections of the river from the Upper Buffalo Wilderness and the Ozark National Forest, through Boxley Valley to the Little Buffalo River, then through to Woolum. Summaries of popular hiking and horse trails will help you choose the route that s right for you. The clearly marked trails include mileages between intersections. Handy river mileage and services charts are included as well. The Ozark Highlands and Arkansas Scenic 7 byways are noted for those wishing to take in the scenery by car. The map base includes contour lines and elevations...

Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be he best ebook for possibly.

-- **Blair Monahan**

Completely among the finest pdf I actually have ever read through. it was actually writtern extremely completely and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.
