ABC-CLIO, United States, 1986. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is written specifically for family or primary care physicians who encounter substance abuse in their daily practice. A Clinical Guide to Drug and Alcohol Problems provides a comprehensive overview to help diagnose and treat these problems. The first five chapters provide basic information on historical and cultural issues, plus the pharmacology of all abused drugs the physician is likely to come into contact with and the epidemiology and etiology of substance abuse problems. The author then addresses the clinical manifestations and course of addiction; diagnostic techniques; principles of clinical management, treatment, and rehabilitation of addictive and other associated medical disorders; and guidelines for public health approaches to the problem.
