Reviews

Completely essential study publication. This is for anyone who statte that there was not a well worth reading through. I am very easily could get a satisfaction of reading through a written publication.

(Hallie Stanton)

NOW THE KILLING STARTS

Magnum. Paperback. Book Condition: new. BRAND NEW, Now the Killing Starts, Steve Cage, You love reading violent fast-action thrillers that are so vivid they seem like movies. But imagine getting your hands on a sexy new book that ups the game with a relentless visceral energy. It's like your foot is stuck on the accelerator. You don't know what the hell's gonna happen next. Welcome to the brutal world of "Now The Killing Starts". A near-future Britain, in the middle of a freezing cold winter. A flamboyant pro-hanging Tory MP is brutally murdered. A young air cop assigned to investigate the case is suspicious about the death. Hunter, a tough TV journalist, is shooting a BBC film about the killing and due to interview the cop. By the time he arrives, the cop has had his head blown off. Something big and Bond-like is going on but nobody can figure out the hell what. As he digs deeper, Hunter locks horns with the city's nasty chief of police. Romance beckons with a mysterious super-sexy woman who drives a talking, computer-controlled, missile-loaded 4X4. Soon Hunter uncovers a piece of evidence that threatens to expose those behind the killings. Now a marked man, he narrowly escapes death in a spectacular, explosive attack and goes on the run in the blizzard-swept north. There's sex, murder, and mayhem galore, till Hunter - stark naked, covered in blood, about to be slaughtered - discovers the terrifying truth driving this rollercoaster ride of a story. Relentless. Energetic. Cinematic. Modern. This title is first in a continuing series already destined for the big screen.
