

Nunca máis Galiza á intemperie

Filesize: 2.54 MB

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

(Dr. Willis Walter)

XERAIS, 2003. Condition: Nuevo. Nas páxinas deste libro, urxidas por unhas horas altas e amargas, reconstrúese a crónica do primeiro mes da enorme marea negra que atacou a ribeira atlántica. Dende os primeiros días do accidente do Prestige, o escritor Suso de Toro foi relatando e interpretando nos medios de comunicación esta catástrofe ecolóxica e humana, sepultada baixo un cobertor de silencio interesado, e a súa transformación nunha crise na política galega, logo na política española e agora nunha crise da política do Estado ante esta catástrofe de dimensións europeas e mundiais. Suso de Toro amosa nestas páxinas o seu convecemento de ter asistido durante este mes ao nacemento dunha nación; para el "o vello pole do orgullo nacional galego teimosamente gardado e transmitido atopou á fin un terreo humano no que prender. Unha sociedade que o acolleu". O escritor Manuel Vázquez Montalban sinalou que estas vibrantes crónicas de Suso de Toro merecerían formar parte dunha posible Historia Universal da Chapuza, título destinado a quen queira mergullarse nun dos capítulos menos estimulantes da conducta humana. Nunca máis Galiza á intemperie é un libro épico e comprometido, unha homenaxe aos mariñeiros galegos que, co seu valor e a súa determinación, nos deron a todos un exemplo de civismo e fecundaron o sentimento do orgullo de sermos galegos.
