With the departure of the Space Shuttle Atlantis an era comes to its end. The crowd follows the trail of light that dominates Cape Canaveral, but only one of them will be struck by a revelation. Wei is a six-year-old boy when he watches the departure. He is different from the other children. A mind that is at once, isolated and rebellious, bright and restless. These characteristics make him understand the message that eludes others. Humanity has come to a dead end, a corner of history that leaves no escapes and the departure of the Atlantis is a concrete proof of that. This truth will never abandon Wei, who decides to embark on a dangerous journey, using his skills to start a titanic project capable of reversing this trend. His quest will last for decades, while he gathers the resources and the people needed to realize his vision. Among machinations and conspiracies, the nature of his project will be slowly revealed along with the nameless force that threatens to destroy everything he fought for. This is Wei's story. This is the world of the Omnilogos.
