Brand New Book ***** Print on Demand *****.Excerpt from The Rights of Women: A Comparative Study in History and Legislation The increased importance attaching to the Woman s Rights question throughout the civilised world is no longer a matter of opinion. It could not perhaps be more strongly attested than by the circumstances which gave rise to the publication of this monograph. The Paris Faculte de Droit opened an international competition for the best essay on the subject, and after the examination of all the works submitted to it, the jury awarded the first prize to M. Ostrogorski, the author of the present volume. The opinion of the jury was expressed as follows: - Il est superieur a tous les autres. Son uvre porte l empreinte d un esprit robuste qui saisit avec justesse les faits et leurs nuances, et degage avec une sage moderation la signification qu il faut y attacher pour la marche generale des idees reformatrices.
