

The Bar Mitzvah and the Beast: One Family's Cross-country Ride of Passage by Bike

Filesize: 6.93 MB

Reviews

The ebook is straightforward in study better to comprehend. It really is simplistic but excitement within the 50 % of the book. I am happy to let you know that here is the very best pdf i have got read during my very own existence and might be he greatest ebook for possibly.
(Dr. Brannon Wolf)

THE BAR MITZVAH AND THE BEAST: ONE FAMILY S CROSS-COUNTRY RIDE OF PASSAGE BY BIKE

Mountaineers Books, United States, 2012. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. Amateur bike rider, father of three, and everyday public school teacher Matt Biers-Ariel never dreamed of riding a bike across the United States. But then his hard-to-impress teenage son, Yonah, refused to have a Bar Mitzvah as he approached age thirteen. No dancing with grandma or chanting traditional prayers? Something had to be done to celebrate this rite of passage. So Matt, his wife Djina, Yonah and little brother Solomon decided to saddle up for a physical ride of passage - one that would take them 3,804 miles by bicycle from the waters of the Pacific Ocean, across the Rockies, through Midwest small towns, and all the way to Washington D.C. Armed with ibuprofen, several gallons of Gatorade, and one unpredictable tandem bike (the Beast), the Biers-Ariel family pedalled across the middle of America, chatting with locals along the way, roasting marshmallows at campgrounds, and quarrelling over the state of climate change, religious identity, and several flat tyres. They also collected thousands of signatures on a self-made global-warming petition calling for the United States to undergo its own rite of passage - one of energy conservation. The Bar Mitzvah and The Beast is a funny, thoughtful memoir of one ordinary American family s extraordinary journey by bicycle, and an enlightening, warm exploration of the bond between a spiritual, nature-loving father and his ambivalent, computer game-loving son.
