Brand New Book ***** Print on Demand *****.Excerpt from How Paper Is Made: A Primer of Information About the Materials and Processes of Manufacturing Paper for Printing and Writing When mankind discovered the art of embodying its knowledge in writing progress toward civilization began. The preservation of the discoveries and acquirements of one generation for the enlightenment of succeeding generations, made possible through the art of writing, has enabled man to acquire an intellectual development that has gradually given to him mastery over the world. Primitive man began his groping for a written language with the making of pictures, crude and simple to be sure, but fairly representative of what they were supposed to stand for. From this humble beginning man gradually progressed upward in the search for expressive signs and marks, the passing generations recording their deeds in ancient pictures, sound marks, hieroglyphics, cuneiform marks, syllabary signs, etc., until they reached the ancient Ph nician alphabet, and still following an upward course gradually evolved the Greek alphabet and then the Roman, which, with very little change, is our alphabet of today. Obviously, early...
