PART OF THE SILENCE (HARDBACK)

Kensington Publishing Corporation, 2017. Hardback. Condition: New. Language: English . Brand New Book. From the international bestselling author of *The Bones of You* comes a haunting and heartbreaking new psychological thriller about the distorted nature of reality, the unreliability of memory, and the enduring power of a mother's love. A blighted memory. A child who seems never to have existed. A watcher in the shadows. When they find Evie Sherman, battered and left for dead in a maize field, the young woman has no recollection of who she is. After three days in a hospital bed, the fog in her head begins to lift, and she remembers two names: her own, and that of her three-year-old daughter, Angel. Evie is convinced that Angel is in grave danger. But the police can find no evidence of the girl's existence. It's clear that Evie is having some kind of mental breakdown--or is it? Even in the depths of her amnesiac darkness, Evie knows her daughter's voice, her chameleon eyes, every precious hair on her head. So how can she be losing her mind? As Evie's grasp on reality slips away, she finds herself haunted by the same three-word warning, which she hears over and over: Trust no one. But whom is she being warned against? The police? The doctors and nurses? Or the mysterious figure who's been watching her, who knows all her secrets, has a hidden agenda--and perhaps their own twisted version of reality. Praise for the novels of Debbie Howells A terrific new talent. --New York Times bestselling author Peter James An intriguing dark psychological thriller--truly brilliant! --Lisa Jackson Has been compared to Alice Sebold's *The Lovely Bones*. Unusual and haunting. --Library Journal Creepy-delicious.a super-quick read, good domestic suspense with a bit of...
