Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Love and Like are two important words for us to understand and do to receive knowledge so we can usher in God's victories and blessings. Yes, there are things we are not to love and like; but far too often, we are not loving and liking the things of God because of little annoyances that do not bother God at all. This book, inspired by the Holy Spirit, identifies the two words: Love and Like as keys to obtaining knowledge and blessings. What must we do to learn and put this simple idea into practice? We must learn to see people and circumstances like God sees people and circumstances. James shows you the what, who, and how: to love and like, not just to receive, but to do and give what God would have you to do and give. Through Scripture and real-life examples, in an easy-to-read format, he explains the powerful, life-changing concepts that can help you succeed in all areas of your life.
