The Forgotten Truth Since the ancient period till the present day, humans have been warned that one day they would be judged for what they have done, for what they do, and for what they shall do in the future. Growing up, reading, writing, and learning about different religions, the author has decided to write a fictional story about a young couple whose faith, love, and belief for one another and the true living God have been challenged yet having hope, alongside of other people who stand united as true holy warriors fighting against the darkness who has now overcome and ruled the world and who has his massive evil army ready.
