Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

ARCADIA BOOKS, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Narrated by Johnny James, a young Oxford fellow, HOLT COLLEGE tells the story of the Principal of Holt College, Dr Willoughby Morris. Morris's increasingly autocratic rule of the college brings him into conflict with many of the college fellows who begin to manoeuvre for his removal but when there is a leak from the college finance committee to the undergraduate newspaper about an expenses scandal and the news is picked up by the national press that Morris dictatorship is rocked to the core. A haunting portrait of one man's life, HOLT COLLEGE shows the inner political workings of one of the country's oldest institutions and the perils that come when such a world is made public.
