

This Might Be a Dumb Question But.How Does Money Work? (Paperback)

By Joe Fazio

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Who wants to know how money works? That s not a dumb question. The real question is, who needs to know how money works? For both questions, it s the same answer . everybody. When it comes to money, most people think the answer is that they just need more of it. Sadly, that is not the answer. If you learn how money works, you will know how to get more money, keep more money, and make money work for you. What you really need to know is how money works . then you will know to how to have more of it. If you think that everyone has more money or seems to know more about it than you do, this is not true. Most people don t understand how money works, and most have no more than you do. There are all kinds of government-produced statistics to prove it. Because people don t understand it, they don t save money for retirement (or start early enough), or have enough for a down payment on a home, or to build...
