Classic Home Video Games, 1972-1984: A Complete Reference Guide (Paperback)

By Brett Weiss

McFarland Co Inc, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This thoroughly researched reference work provides a comprehensive guide to popular and obscure video games of the 1970s and early 1980s, covering virtually every official United States release for programmable home game consoles of the pre-Nintendo NES era. Included are the following systems: Adventure Vision, APF MP1000, Arcadia 2001, Astrocade, Atari 2600, Atari 5200, Atari 7800, ColecoVision, Fairchild Channel F, Intellivision, Microvision, Odyssey, Odyssey2, RCA Studio II, Telstar Arcade, and Vectrex. Organized alphabetically by console brand, each chapter includes a history and description of the game system, followed by substantive, encyclopedia-style entries for every game released for that console, regardless of when the game was produced. Each video game entry includes publisher/developer information and the release year, along with a detailed description and, frequently, the author's critique. A glossary provides a helpful guide to the classic video game genres and terms referenced throughout the work. An appendix lists a number of homebrew titles that have been created by fans and amateur programmers and are available for download or purchase.

Reviews

The book is fantastic and great. it was writtern really perfectly and useful. I discovered this pdf from my i and dad suggested this book to learn.
-- **Dr. Cordie Upton III**

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.
