Forces At Work shows what influenced 85 people in a long-term study, correlating career path to the natal chart. This book gives new perspectives on career development, with blind insights by astrologer Oskar Adler, a new look at Gauquelin Sectors, Part of Fortune, Asteroids, Chiron, Ceres and Eris. A great tool for Astrologers and Career Counselors. Reviewer comments from the back cover: Amy Shapiro s new book, Forces at Work: Astrology and Career is a thorough and comprehensive astrological guide for anyone wishing to understand the uncanny connections between their astrological chart and their work path. Every HR department should have a copy for reference! -- Shelley L. Ackerman, Astrologer, Author, Columnist, Karmic , Amy s Forces at Work fills a gap in the astrological literature of career by providing in-depth research that combines personality theory with astrology. Her study, based on a thorough career survey, incorporates insights from the work of Dr. Oskar Adler, along with comments from study participants to pinpoint astrological findings. This work will appeal to the intermediate to advanced astrologer who wants to refine career counseling methodology. -- Stephanie Jean Clement, Ph.D., Astrologer, Author, President, American Federation of Astrologers Amy Shapiro s comprehensive book on the use of astrology in career counseling is unique for its detailed case studies through which her depth of counseling experience shines. Amy s description of Eris as provocateur is interesting, insightful and well supported within her...
