iUniverse, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When Luke s wife died in 2006, Luke struggled with loneliness and depression. He day-traded stocks and regularly visited casinos to escape world realities. Julie s husband died in 2005, and she became a widow at a young age. In early 2008, Luke became bored with being a widower and signed up for an online dating service. That s when he met Julie. In Memoir of a Second Marriage in a Digital World, author Paul Jazzy offers a fictionalized memoir, narrating the story of Luke and Julie as they meet later in life, live together, get married, and share a host of experiences. It tells how, externally, their marriage seemed like it was made in heaven. But internally, problems developed and the couple eventually divorced. Memoir of a Second Marriage in a Digital World offers an inside look into Luke s and Julie s relationship, one that started on the Internet. It tells how one couple, both experiencing second marriages, tried finding love again.
