

Island Grown: The Life of a Filipino Immigrant (Paperback)

By Angela Berry

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bainbridge Island, Washington has a rich farming history. Japanese farmers planted the first strawberry fields in the early 1900s and soon after the island became world famous for their strawberries. World War II marked a major shift in the small island s landscape as the Japanese community of Bainbridge Island were the first in the country to be evacuated and sent to internment camps. In the spirit of bayanihan - communal unity - many Filipinos cared for the Japanese farms while they were interned. This short biography shares the life of Felix Narte and the unique story of the Japanese, Filipino and Native community of Bainbridge Island.

Reviews

This is actually the greatest pdf i have got go through until now. Indeed, it can be perform, nevertheless an amazing and interesting literature. Its been designed in an extremely simple way and is particularly only following i finished reading this ebook where really modified me, affect the way in my opinion.

-- Jacey Simonis

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

-- Nannie Lindgren Jr.
