In 17th century India a deserter stumbles into a temple and commits a crime that will lead to greed and death spanning centuries. and where a French merchant traveller will launch a journey of obsession that will last for generations. In present day London Luke and Kath Matthias are devastated by another family tragedy. In the aftermath Luke fights conflicting emotions about taking over the family business when he realises unknown forces are conspiring against him. Meanwhile Kath begins a search for the truth behind a lost heirloom, unaware that, in a small town on the shores of Lake Geneva, a ruthless aristocrat is determined to recover a precious object denied to his ancestors. When Kath disappears, Luke turns to his friend, Daniel Stewie Stewart, for help as he plunges into a desperate search to find his sister before her abductor unravels the mystery that only she has solved.
