Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Isaac Olson)

Arcade Publishing, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. With her children evacuated and her husband at the front, Tory Pace is grudgingly sharing the family home with her irascible mother; working at the local gelatin factory--to help the war effort--and generally doing just about as well as could be expected in difficult times. Her quiet life is thrown into turmoil, however, when her prisoner-of-war husband, Donald, makes an outrageous demand for sexual gratification. He wants a dirty letter! Horrified, at first, that Donald is being turned into some sort of monster by the Nazis, Tory's disgust gradually gives way to a sense of marital duty, and taking in the libraries, bookshops, public conveniences and barbers shops of South-East London, she begins a quest to master the language of carnal desire: a quest that takes a sudden and unexpected turn into far more dangerous territory. Beginning with an act of unintentional cannibalism, and flirting with a scheme to end world hunger by the use of protein pills, *Letters from an Unknown Woman* ranges widely across the Continent and yet always returns home: to family, to people, to relationships. Woodward offers a prescient examination of the ways in which we both nurture and consume each other in the face of adversity.
