BEYOND EXOTICISM: WESTERN MUSIC AND THE WORLD (ANNOTATED EDITION)

Duke University Press. Paperback. Book Condition: new. BRAND NEW, Beyond Exoticism: Western Music and the World (annotated edition), Timothy Dean Taylor, In "Beyond Exoticism", the ethnomusicologist Timothy D. Taylor considers how western cultures' understandings of racial, ethnic, and cultural difference have been reflected in music from seventeenth-century operas to the scores of late-twentieth-century television advertisements, arguing that the commonly used term "exoticism" glosses over such differences in many studies of western music. "Beyond Exoticism" encompasses a range of musical genres...

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
