AN EVANGELIZING EXPERIENCE: THOUGHTS MEDITATIONS (PAPERBACK)

Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From his humble appearance alone, Bro. David Farnum is not the typical poet-- if there is such a thing. Often we expect a sagacious demeanor with a mature beard to stroke a pensive bearing in constant reflective mood. One often expects a poet to be scholar who has studied the classics or the arts and therefore can pour forth eloquently from such learning. Quite the opposite is evident on meeting this fellow David and surprisingly so. Instead of an academic here, is one who emerges from more so the actual nuts- and- bolts side of life who is yet able to express deep thoughts about the more esthetic, spiritual aspects of our shared human existence. This collection of poems is designed to enhance creative thoughts in an electronically stimulated society. The fluidity of the reading will leave behind a picture triggered by stories written in God s word, as they relate to our living experiences. Each poem takes a deeper look into the emotional state that may be experienced daily. In the end, we are brought back to our strength and our redeemer, Jesus Christ. Take the journey through each page. Revisit the pages that apply daily. For an added bonus, the power of the material can be heightened when accompanied by music for stronger retention. The melodious vibration with the combination of sight and sound will surely provide a blessing like no other. Open you heart for the blessings on the way. This is a rich anthology that began in deep thoughts on a small island tucked into the Caribbean Sea. This anthology is loaded with the charm and dreams of island living. This collection of thoughts would eventually travel...
