

George Herbert

By George Herbert

FABER FABER, United Kingdom, 2006. Paperback. Book Condition: New. Main. 197 x 120 mm.

Language: English . Brand New Book. In this series, a contemporary poet selects and introduces a poet of the past. By their choice of poems and by the personal and critical reactions they express in their prefaces, the editors offer insights into their own work as well as providing an accessible and passionate introduction to some of the greatest poets of our literature. George Herbert (1593-1633) was educated at Westminster School and Trinity College, Cambridge, where he was appointed Reader in Rhetoric in 1618 and Public Orator in 1620. He was a Greek and Latin scholar, was fluent in modern languages and an accomplished musician. In 1626 he resigned his seat in parliament and took holy orders, becoming Rector of Bemerton, a tiny rural parish on Salisbury Plain, in 1630. The Temple, Herbert's great structure of poems from which the present selection is drawn, first appeared in 1633, the year of his death.

Reviews

Merely no words to spell out. I am quite late in start reading this one, but better then never. I am happy to explain how this is actually the very best publication we have go through within my personal daily life and can be he best ebook for at any time.

-- **Althea Christiansen**

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
