By Alex Silverman

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Laboratory Directions and Study Questions in Inorganic Chemistry The following loose-leaf Laboratory Directions which have been tried and corrected in our laboratories for the past five years are now presented in printed form for the benefit of other institutions. In the University of Pittsburgh the student will, on an average, complete one set of experiments per three-hour period. He is scheduled for two such periods per week throughout the college year. Results are noted on a separate sheet and submitted with the instruction sheet at the end of each period. Both the direction sheet and record sheet are stamped by the instructor before they are returned to the student. A word should be said about the study questions which constitute the second half of this volume. These serve as a study guide for the student. Questions of major importance are starred. All recitations and examinations are conducted on the basis of these questions so that a uniform system is employed even where a dozen or more instructors handle different sections. The method has met with such marked success here that there...
