What happens when you can never forget the first kiss, the first touch, the first taste of lips on skin? When the first sigh of pleasure, first glimpse of soft, smooth skin, the slide of fingers through warm, wet folds burns into your memory? What happens when you know you will remember every single detail of a mysterious woman? Emery Barrett is under doctor s orders to rest while on a three-week cruise. Dana Worthington s only plan is to improve her tan and have her passport stamped in every port. Adventure, anonymity, and the idea that they will never see each other again propel Emery and Dana into twenty-one days of pleasure. Neither woman has any idea their vacation will be one to remember in more ways than one. But the biggest discovery awaits them when they return home.
