## JOURNEY ON A HOSPITAL BED: LEV LUNTS THE SERAPION BROTHERS

[DOWNLOAD PDF](#)

Xenos Books, United States, 2016. Paperback. Book Condition: New. 267 x 190 mm. Language: English . Brand New Book. Literary Nonfiction. Fiction. Memoir. Literary Criticism. Jewish Studies. Translated from the Russian, edited, and introduced by Gary Kern. A large and luxurious volume, with many photographs, devoted to a young Russian writer, dramatist and polemicist, Lev Lunts, and the literary group that he co- founded, the Serapion Brothers. The first section features articles, book reviews and memoirs that recover the war-torn yet inspired literary milieu of St. Petersburg in the early 1920s. Authors Vladislav Khodasevich, Maxim Gorky, Yevgeny Zamyatin, Viktor Shklovsky, Konstantin Fedin, Veniamin Kaverin, Mikhail Slonimsky and Lev Lunts describe the utopian projects of the time, the fantastic House of Arts on Nevsky Prospekt, the "literary studio" and its astonishing staff of teachers, and the formation of the Serapion Brothers. The second section presents the correspondence of Lunts with the Serapions and friends from the year 1923-1924, when he was abroad receiving medical treatment. The two sides of the correspondence, which became available only in 2007 and now are translated for the first time into English, create a time capsule that brings back the people, their personalities, their creative activities, their daily concerns, their romances and their cultural environment with striking immediacy. The third section presents the title work, a memoir of the dying youth in a sanatorium in Königstein im Taunus. Lunts writes with determined good humor, as if wit and mockery could make the inevitable go away. They could not: he died, and his works were censored for the rest of the Soviet period. Now he is making a comeback. In 2009, a lost collection of stories by the Serapion Brothers was discovered in Finland, and in 2013 it was published in Petersburg. The previously unknown story by...
