Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a ruby mine hidden in the heart of the mountains near a remote little city of Central Asia, unknown to European travellers; and the secret of the treasure belongs to the two chief families of the place, and has been carefully guarded for many generations, handed down through the men from father to son; and often the children of these two families have married, yet none of the women ever learned the way to the mine from their fathers, or their brothers, or their husbands, none excepting one only, and her name was Baraka, which may perhaps mean Blessed ; but no blessing came to her when she was born. She was much whiter and much more beautiful than the other girls of the little Tartar city; her face was oval like an ostrich egg, her skin was as the cream that rises on sheep s milk at evening, and her eyes were like the Pools of Peace in the Valley of Dark Moons; her waist also was a slender pillar of ivory, and round her ankle she could make her thumb meet her second finger; as for her feet, they were small and quick and silent as young mice. But she was not blessed.
