

Experiments with Plants (Classic Reprint)

By Winthrop John Van Leuven Osterhout

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Experiments With Plants My plan for a series of popular botanical texts contemplated three books, Lessons with Plants, primarily for the teacher; Botany, for the school; and Experiments with Plants, to suggest and explain simple ways by which the pupil could be set at the working out of real problems in the growth and behavior of plants. The first two books have appeared. When I was working on the third, I chanced to visit the laboratory of Mr. Osterhout at the University of California, at a time when he was instructing a class of teachers. I saw at once that he was better fitted than I to write the book; and, finding that he was contemplating a similar text, I gave up my enterprise and offered him the title of the proposed volume. It was at first intended that I collaborate in the preparation of the book, but insistent duties have interposed, and I have given it no personal attention; moreover, I did not feel that I could add to its usefulness; and again, a...
