Penguin Books India Pvt. Ltd., Delhi, India, 2014. Softcover. Book Condition: New. Can you work in India while you live in Bharat? James Joseph was in his late thirties, well ensconced in his job as a director with Microsoft, when he decided to take a family vacation in Aluva, Kerala. His six-year-old daughter tasted a jackfruit from a tree in their own yard and remarked, Daddy, this is so delicious. I wish I could eat the fruits from this tree every year. Part memoir, part how-to, this is his amazing story of starting out from the backwaters of Kerala, becoming a corporate leader in America and then finding a way to have a successful career while working out of his village in Kerala. This book also contains tips and techniques for anyone frustrated with living in cities. How do you set up a home office? How do you integrate with the local community? Where do your kids go to school? How do you convince your company to give you this opportunity? Gods Own Office may well inspire you to transform your life. Printed Pages: 240.
