

Performance Drivers: A Practical Guide to Using the Balanced Scorecard (Hardback)

By Nils Goran Olve, Etc., Jan Roy

John Wiley and Sons Ltd, United Kingdom, 1999. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book. A Practical Guide to Using the Balanced Scorecard performance drivers Nils--Goran Olve, Jan Roy and Magnus Wetter Since the groundbreaking work of Robert S. Kaplan and David P. Norton, the concept of the Balanced Scorecard has achieved increasing popularity in the business world. Previously, many organizations had built their business objectives around financial targets and goals that bore little relation to a long--term strategic vision. Typically, this leaves a gap between the development of a company's strategy and its implementation. The business scorecard, however, provides a more a balanced view by looking at not just--financial concerns, but also customers, internal business processes, and learning and growth. But it is not just a system of performance measurement -- by focusing on future potential success it can be used as a dynamic management system that reinforces, implements and drives corporate strategy forward. In this book, the authors draw on their extensive experience with scorecard projects to provide a step--by--step method for introducing the Balanced Scorecard into an organization. This is done through the use of some of the most...
