Gemini Rising Rockin Machine, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Kayden now remembers what the Messenger of God told all Purgatorians right before the War of Purgatory started. You will have wants and needs, have at them and take what you will. There is nothing to worry about, there is no wrong or right anymore, only War, whatever you do or have to do, will not count against you. Yeah right, like everything goes, I can t believe that. Am I really supposed to want and act out all of my urges? The urges that got me in this kind of trouble in the first place? Am I not suppose to be the best soldier for God? To get rid of all the rest that God himself said, he wanted no part of them in his Heaven? Was it not the Messenger of God who said first and perhaps the only thing that really matters? War is to start here in Purgatory, all of you will keep fighting til you are all dead, save one and that last one will get to come home to Heaven and get your wings. All the rest of you that die will go to Hell to burn for all eternity. All the rest that came after, except eating and sleeping, were just words for testing me. I can do it but should I really want to?.
