Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Authors in Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ever wondered why some people are successful yet you are still struggling? Ever pondered whether there is more to achieve in your life? As an immigrant, have you ever longed for the familiarity of your native home, comparing it with what you achieved abroad? Dr. Cameron decided to conduct a phenomenological study through Nova Southeastern University by collaborating with successful Immigrant Americans in the United States. Leaders who have achieved success in business, media, healthcare, education, government, aviation, politics, and more. What could those youths who are hanging around loitering learn from those who have come, who were born under similar circumstances just like them yet became successful. What is the difference? Is there a difference? This book provides youths and ethnic minorities with the strategies of how to be successful. Readers will be exposed to the traits of successful Immigrant American leaders, the challenges they encountered after migration, strategies they used to overcome the challenges, and the factors that most influenced their success. This book will: -Inspire you to achieve your best potential -Motivate you to step out in faith to accomplish your dreams -Expose you to the stories of successful people and their journey -Identify your personal success traits -Teach you how to overcome failures.
