Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Outskirts Press. Paperback. Condition: New. 116 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. American Psycho has merged with Harry Potter. Dead Gods is a society of great intelligence and power that control lives. This book is the first of short stories that introduces the main characters of this world. There isn't an easier prey than the one that is willingly offering themselves to us. They tell you stories, they make you hear what you want to hear. We've been caught in the middle of what used to be a simple war of power and control, and now anarchy and chaos begin to take over. New players and bored individuals who want more control fight to keep a norm and establishment while the rest want destruction. Some just want to watch everything burn and some just want the power to change hands. The more people one of them gets to control more power they have over the rest. They use intimidation, fear, love, hate. No human emotions are safe from their manipulations. But they aren't complete loners; some take up apprentices and try to consolidate more power by having stronger individuals around them. But this has proven tricky over the past, as with a little power addiction grows and they free themselves. Some might be immortal some even call themselves gods. But they can die, and they are bringing their own destruction and destroying the world with them if it comes to it. There is no evil side or good side, just the side of those with power. And they will do whatever they must to keep the power or destroy those that oppose. But this just made everything more entertaining for the younger generation, allowing them to actually get their hands dirty. Not just sitting on a throne having their every...
